The background of the slide features a dark blue space-themed design. It includes a network of glowing blue lines forming a grid and arcs, with small white stars scattered throughout. In the center, there is a faint, semi-transparent image of a computer monitor on a stand, a keyboard, and a large satellite dish. The text 'Automation Branch' is overlaid on this background.

eMILPO *will be a web application accessible worldwide by all echelons of field users and will facilitate the Active Army's transition to DIMHRS.*

This is the E-MILPO Main Menu. From this page, you can open any E-MILPO function by clicking on its link. For the WBT, click on one of the column headings to display a menu of available lessons for that module. After you complete the lesson, you can return to the lessons menu or return to this page to select a different module. To quit the training, click Windows Close in the upper right of the browser.

Click one of the modules to open the training module menu.

- Iteration 3.0

Please select an option to proceed.  denotes an expandable menu.
